

Diagram of a control panel. The top section contains the text "CY2AE" on the left and "NO" on the right. Below "CY2AE" is a rectangular button labeled "196". To the right of the "196" button is a circular button. Further right is a larger rectangular panel containing a 2x2 grid of buttons. The buttons are labeled as follows:

1	2
3NR	3CU
X	X

Below the 2x2 grid is a single wide rectangular button.
